ENCHANTED

CHRISTMAS KINGDOM

Dearest Children,

One or two changes this year so we can
all stay safe.

You can come with up to five of your
family and friends for a magical
experience secure in your very own
sleigh.

And it's then that I will be telling you how
to find my Secret Toyshop and choose a
special gift just for you.

The reindeers are ready to fly my own
sleigh into Hatton's Enchanted Christmas
Kingdom, brimming with toys and goodies.

And I just can't wait to see you all again
this year.

Much Love
