FARM GROUP VISITS 2021

Our educational group visits are geared towards particular topics that may be covered at school, with our programmes developed in line with the national curriculum.

Or for our younger groups, we have dedicated programmes suitable either for foundation stage groups or those groups who want to visit and learn through the hands-on fun activities provided.

MEET & GREET

Your group would be met by a guide at the coach park where they will run through the health and safety with you and outline the important aspects of your day. Your group is then free to explore the park at your own pace and see what demonstrations suit you.

GUIDED GROUP VISITS

This type of visit gives you the benefit of being taken around the farm park by a guide. The guide will take you to demonstrations such as falconry, sheep racing and your tractor ride ensuring you arrive on time and encouraging the children to take part in the activities.

YOUR VISIT TO HATTON OFFERS AN EXCITING MIX OF:

- Educational Activities KEY STAGES 1 & 2
- Purpose built interactive Educational Area
- Seasonal curriculum linked activities
- Hands on Experience
- An Experienced Guide to lead activities
- A FREE Tractor ride that takes pupils on an educational tour of the farm*
(*High season only)
- Adventure Play
(outside or in our indoor play centre - one of the largest in the Midlands)
- Hatton's Grand National
(High season only - see which of your woolly friends are first around the race track)

KEY STAGE 1 AND 2 EDUCATIONAL PROGRAMME
